Battle of the Banks!

Put your money where your mouth is!

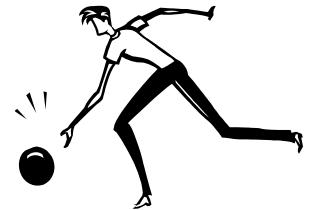

Big Brothers Big Sisters of Will and Grundy Counties invites your bank to participate in the “Battle of the Banks” competition as part of **Bowl For Kids’ Sake** – our most important fundraising event. Funds raised will go directly toward matching at-risk Will and Grundy County children with carefully screened, caring adult mentors.

To participate, you:

- Form one or more 5-member teams (friends, family, coworkers, etc.) who either solicit a minimum of \$50 in pledges per person, or the bank sponsors for a flat fee of \$500 – in lieu of individual pledges.
- Select and register for a date and time to bowl from the Community Days section listed on the back of this sheet.
- Come out and have a blast!

Big Brothers Big Sisters will tally up the donations of all participating bank teams and the bank with the most money raised will earn the “2005 Battle of the Banks Bowling Champion” title!

The winning team will be presented with the Battle of the Banks traveling trophy to proudly display at their institution. Additionally, the winning team will be publicized (for all to see and envy!) in all after-event media coverage, on our marquee and website, with a hyperlink from our site to yours. The best part however, is having the satisfaction of knowing which bank ranks #1!

Don’t let another bank take away your claim to fame and glory...get out and knock down some pins while having fun and raising money for Big Brothers Big Sisters of Will and Grundy Counties. I’ve included a pledge sheet for you to get started, and you are encouraged to copy as many as you need. If you have any questions, or need additional information, please contact me at 815/725-4324 or email at spekar@bbbswillgrundy.org.

Looking forward to seeing you there!

Sincerely,

Sara Pekar
Director, Fund Development
